## EXPERIENCE

### Digital Media Manager

Nov 2019-Present

*Reams Springville Market*

Springville, UT

- Create in-store audio advertisements utilizing Pro Tools to both record and edit sound files
- Manage the entire audio process on site, coordinating with a third-party ad management software to schedule batches, ensure sound quality, and resolve technical bugs
- Develop project timelines and budgets to ensure all projects are delivered on time and within budget
- Produce multiple video shoots, managing all stages of production to completion

### Butcher

Sep 2019-March 2020

*Reams Springville Market*

Springville, UT

- Managed inventory levels and quality assurance
- Designed display cases to increase consistency in brand messaging and provide a fully stocked product lineup to improve customer experience
- Maintained health and sanitation standards in all work areas and on all equipment, facilitating frequent cleanings and inspections
- Cut, trimmed, and ground a wide variety of meats to prepare for packaging and sale.

### Team Manager

Apr 2017-Aug 2017

*Island Ice*

Springville, UT

- Utilized excellent communication skills to handle daily business operations
- Mediated conflict resolution amongst employees and patrons alike

- Facilitated the development of a strong team built on trust and mutual respect
- Created and managed schedules for the team, handling time conflicts and unforeseen callouts

## EDUCATION

---

### University of Utah

July 2021

*Coding Certificate, Emphasis in Web Development*

Salt Lake City, UT

- Gained mastery in full-stack web development and dynamic end-to-end web applications
- Excelled in front-end web development by creating websites that are not only functional, but aesthetically pleasing
- Portfolio Samples
  - o [github.com/gjspencer22](https://github.com/gjspencer22)
  - o [garrettspencer.netlify.app](https://garrettspencer.netlify.app)

### Utah Valley University

June 2020

*Bachelor of Science, Digital Audio*

Orem, UT

- Vice President of Radio Club
  - o Created Podcast content for UVU's campus radio
- Member of Audio Club
- Sound Effect Creation
  - o Met with the producers of a video game to determine the project deliverables; I then led a team of three to design all sound effects for the game, handling all stages from start to completion in under three months
- Portfolio
